RAIN AT CHURCHILL DOWNS

CUDGEL TAKES THE FEATURE RACE IN A HARD FINISH WITH OPPORTUNITY.

Hodge Runs Well in the Going and Wins the Spring Handicap—Most of Macomber's Big String Sent East—Fruit Cake May Run in Oaks.

Louisville, Ky., May 22.—Churchill Downs race-goers experienced a variety of weather this afternoon that embraced all seasons of the year, intermittent showers contributing toward making the course slow and militating against those starters with a liking for the more solid going. The attendance, as a result of the changed conditions, showed a decrease from the former big numbers, but the sport was wholesome, though marked by numerous upsets.

The mile and seventy yards, contested by a quartette of good three-year-olds and the out of placed Duchess of Lizwill, furnished a fine struggle between Cudgel and Opportunity, the Schorr representative finally triumphing in the last stride. He appeared the outstanding betting proposition of the afternoon, but uncertainty as to his ability to race in the going successfully, caused a lack of support for him and accounted for the generous price his backers received.

In the sprint handicap, like the feature, for a $1,000 purse, Hodge proved the victor after a hard drive, with Leo Skolny and Vogue. Hodge's showing this afternoon was vastly superior to his recent races. After the finish he was galloped out an additional quarter of a mile, covering the full mile in 1:42⅕.

Racing at Reno in October.

Word was received here today from George Wingfield, president of the Nevada Racing Commission, that a meeting will be given at Reno, Nevada, commencing the first week in October.

E. T. Zollicoffer has decided to ship Fruit Cake here to start in the Kentucky Oaks next Friday, according to advices received from Toronto this morning.

The report that Roamer sustained an injury in his last race was without foundation. The horse was given a three-quarters preliminary this morning and showed no traces of being amiss.

Trainer Charles Hughes will ship to the farm, where they will be turned out the horses Dreadnaught, Alone at Last and Ivanowitch, owned by the Beverwyck Stable.

J. Umensetter reports a filly foal by Golden Maxim—Kiva. The filly was foaled at T. M. Murphy's farm near Louisville.

R. P. Marshall, the wealthy Pittsburgher who is racing in the name of the Keystone Stable, contemplates selling all his horses and they will be offered by auction at Douglass Park during that meeting.

Jockey Mack Garner will come here from New York and ride the Wickliffe Stable's horses in these parts.

The method in use at this track of no extra admission to the paddock will rule at Douglas Park. The usual admission fee of $1.50 will be charged, excepting on Kentucky Handicap day, when the admission tariff will be $2.

Macomber Horses Shipped to New York.

The big band of A. K. Macomber horses were shipped tonight in charge of trainer W. B. Jennings to New York, where they will campaign next summer. Ed Crump, Hank O'Day, Boots, Dodge and Sunbonnet were left here in charge of assistant trainer Barnard. Sunbonnet will be run in the Kentucky Oaks next Friday. Dodge, Boots and Ed Crump are intended for the rich Kentucky Handicap and Hank O'Day will fill several stake engagements in some less important events. Jockey Kleeger was advised to report to New York by Saturday and join the division there racing in the Wickliffe Stable's colors.

Owner J. C. Milam sent out notice this morning to owners not to harbor W. Scott, an exercise boy he has under contract and who left his employ.

Work this morning at the Downs was over a slow track, and the following were among the best:

Allen Cain—Mile in 1:49⅘.
Alert—Mile in 1:50.
Biddy—Three-quarters in 1:21⅕.
Bob Hensley—Mile in 1:48.
Chartier—Half mile in 54.

Trapper—Three-eighths in 39.
Uncle Hart—Half mile in 54.
Velvet Joe—Half mile in 52⅘.
Water Witch—Three-quarters in 1:18⅘.
Will Do—Mile in 1:48⅘.

WILMINGTON MEETING BIG SUCCESS.

Wilmington, Del., May 22.—The three day meeting held here at Wawaset Park was a big success and it was evident from the enthusiasm displayed that Wilmington has welcomed the thoroughbred with open arms. Wawaset Park, heretofore given over to the harness horse and the show horse, hereafter will be the home of the thoroughbred, if the wishes of the people of Wilmington are consulted. Wawaset Park course is undoubtedly the most beautiful half-mile course in the east, and with a big attendance, there was every reason for the management to be highly pleased with the inaugural running meeting. General Manager Luke Cassidy was warmly congratulated upon the success of the meeting.

PROSPECTS ENCOURAGING AT DELORIMIER.

Montreal, Que., May 22.—The races at Delorimier Park are attracting good crowds and speculation in the mutuels is such as to warrant the prediction that the machines will be well patronized on the local half mile tracks.

Manager Fred Richard of the Dorval Jockey Club and William Murray of Maisonneuve were visitors at the course Monday.

KENTUCKY OAKS DAY RIGHT AT HAND.

Fifteen Expected to Contest the Churchill Downs Race for Three-Year-Old Fillies.

(By C. A. Bergin.)

Louisville, Ky., May 22.—The famous Kentucky Oaks, which is as old as the Kentucky Derby, and which, like the latter race, has never missed an annual renewal, will have its forty-third running at Churchill Downs on next Friday, the closing day of the present successful meeting.

The Oaks, together with the Derby and other early fixtures at Churchill Downs, was instituted by Colonel M. Lewis Clark, founder of the Louisville Jockey Club, upon the return of that gentleman from a visit to England. The Oaks was originally at a distance of a mile and a half and was run as a race for three-year-old fillies. Changing conditions of the turf brought changed conditions of stakes and modified distances and weights. Within recent years the Oaks distance has been reduced to one mile and a sixteenth.

The first Oaks winner was Vinaigrette, which won in 1875, in the colors of A. B. Lewis & Co. The list of winners of the race since that year embrace some of the best fillies of their time. E. Corrigan and Thomas C. McDowell are the only owners who have succeeded in capturing the stake on three occasions. The former won with Modesty in 1884, and with Lizzie Dwyer the following year. It was not until eighteen years later that Mr. Corrigan succeeded again in winning the stake, his Lemco scoring in 1903. The McDowell colors were victorious in 1899, when Rush proved the winner, in 1906, when King's Daughter won, and again in 1915, when that good filly Waterblossom proved her worth by winning from good opposition. Last year's renewal went to George J. Long's Kathleen, which was regarded as the best three-year-old filly in the west.

The Oaks Attracted Sixty Nominations.

The Oaks this year attracted sixty nominations, comprising the cream of the three-year-old fillies of the west and quite a few claiming eastern ownership. From present indications, a field of about fifteen will face the barrier in this year's renewal, and it will take a mighty shifty filly to demonstrate her worth over the formidable opposition she will encounter. Most of the eligibles to the race have already been seen under colors in their three-year-old age, so that th public has been able to obtain some line on their present form and racing ability. From all reports all of the prospective starters are going along well in their work and will be fit and ready to do their best next Friday.

Among the probable starters most prominently mentioned are A. K. Macomber's Sunbonnet, which qualified with distinction in a purse race last Monday; Schuyler L. Parson's Koh-i-Noor, regarded as one of last year's best two-year-olds, which has not yet faced the barrier this year, but which is training in splendid style; T. C. McDowell's pair of cracks, America and Latonia; J. W. Parrish's Rosewood; the Pastime Stable's Sunflash; Billings & Johnson's Pleasant Dreams; ex-Senator J. N. Camden's Satin; P. A. Clark's Battle; H. H. Hewitt's Star Maid; E. R. Bradley's Bedtime Stories and Believe Me Boys; W. H. Baker's Mary Belle and the Wickliffe Stable's Mida. Jefferson Livingston's Diamond might also be included in this list. E. T. Zollicoffer's grand filly Fruit Cake, is also an eligible, but it is doubtful if she is shipped here for the race.

Figuring on a possible field of fifteen starters, first money this year will be worth approximately $3,350. The second horse is awarded $500, and the third horse $300.

The intrinsic value of the race, however, is but a secondary consideration with the many wealthy and prominent owners of eligibles. From the time of its foundation, the honor of winning the Oaks has been sought after, almost as eagerly as the Derby itelf and around the winner is shed a radiance, almost as brilliant as that which surrounds the victor in the more valuable fixture.

WILL NOT APPEAL THE LOCKE LAW CASE.

Directors at New Orleans Accept a Fine and Prison Sentence Is Suspended.

New Orleans, La., May 22.—Fines of $100, with terms of seven months each in the Parish prison, were given to the nine officials of the Business Men's Racing Association by Judge Chretien in the Criminal District Court today. The prison terms, on motion of Attorney John P. Sullivan for the Business Men's Racing Association, were suspended by the court. The charge was violation of the Locke law, in the recent investigation and trial of the betting system at the Fair Grounds race track.

As announced, the Business Men's Racing Association officials proposed then not to fight the case through the higher courts. The officials in the case are Dr. George MacDiarmid, president; Phillip F. Otto, L. D. Delorto, Victor Lebeau, A. D. Stewart, I. B. Rennyson, A. Marx, John Dillon and Judge Joseph A. Murphy.

The decision of the Criminal District Court, finding them guilty of violation of the Locke law charges, was handed down last Thursday by Judge Chretien. The court held that the individual betting system, as conducted the past winter, was a clear violation of the law, and it was originally intended to go through the usual processes to get the case before the Supreme Court.

For a final decision, it developed, however, that if the Business Men's Racing Association lost its appeal, they would be sent to prison. If they did not appeal, the court had the power, under a recent act of the legislature, to suspend the prison sentences.

To escape the possibility of a jail sentence and to make an out and out test of the Locke law, the Jefferson Parish test was arranged and staged last Saturday afternoon.

LEWIS GARTH TO SELL HIS HORSES.

Toronto, Ont., May 22.—An important sale of horses in training, several of them winners this year, will be held tomorrow at Woodbine on account of trainer Lewis Garth, who leaves the following day for New York to take charge of the eighteen two-year-olds belonging to E. B. McLean of Washington, most of them by Lovetie. The horses to be sold include the jumpers Rhomb and Stucco, the three-year-olds Queen of the Sea and Dr. Nelson, and the two-year-olds Virginia Yell, Lady Eileen, Laudator, Celtiva, Ogle and Cherry Stone.

MUD RUNNERS AFTERNOON AT TORONTO.

Tarahera Wins the Breeders' Stakes and Early Light the Steeplechase—Crimper Beaten.

Toronto, Ont., May 22.—H. G. Bedwell scored his first victory in a stake race this year when his jumper Early Light beat Rhomb out by a head after a driving finish in the Aintree Steeplechase at Woodbine Park this afternoon. The Aintree Steeplechase divided interest with the Breeder's Stakes, the other fixture offered by the Ontario Jockey Club. It was an ideal day for mud runners, the constant rain that fell all during the night and morning, making the track heavy. Despite the change in the going, there was but few withdrawals and good fields went to the post in the different races.

The Brookdale Stable's Tarahera, which showed a splendid performance in the King's Plate on the opening day of the meeting, accounted for the Breeders' Stakes, when she beat one of the Seagram entry, Galley Head, out by a scant length. She was a close contender all the way and finished with splendid gameness.

The Breeders' Stakes was first run in 1889 and its history in condensed form since 1905 is as follows:

Year.	Winner.	Wt.	Jockey.	Val.	Time.
1905	Will King	122	E. Walsh	$ 860	2:00⅕
1906	Slaughter	127	Treubel	830	1:56⅖
1907	Sea Wall	117	McDaniel	905	1:56⅖
1908	Seismic	127	C. H. Shil'g	860	1:58⅗
1909	Courtier	122	Goldstein	880	1:58⅗
1910	Parmer	124	J. Wilson	805	1:59⅗
1911	St. Bass	127	E. Dugan	835	1:56⅗
1912	Amberite	117	G. Burns	930	2:04
1913	Hearts of Oak	127	J. Wilson	1,420	1:56⅖
1914	Beehive	120	C. Peak	1,770	1:56⅗
1915	Fair Montague	115	T. Rice	1,730	1:56
1916	Mandarin	129	A. Pickens	1,660	1:58⅕
1917	Tarahera	122	L. Mink	1,800	2:00

Crimper, heavily backd to win the Grafton Plate, was beaten by both Christie and Arriet, the former winning by a length and a half, while Arriet managed to get up in time to take second money by a nose.

During the afternoon Capt. W. J. Press purchased the imported three-year-old Iron Cross II., which finished second to Runes in the Queen's Hotel Cup yesterday. The price paid was $3,000.

Stanley Davis, who rode with much success both in this country and Canada, has retired from the saddle and will in future confine his effort to training thoroughbreds. He has taken over five two-year-old and a three-year-old, the property of a Detroit business man who races under the nom de course of the Poland Stable.

Jockey Crump's Services in Demand.

Andrew Miller wired E. W. Moore asking for the services of jockey Crump in the Kentucky Handicap, in which the good racer Roamer will carry the Miller colors. Previous engagements prevent Crump from accepting the offer. The lad, who suffered some slight injury as a result of a fall from the two-year-old North Sea yesterday, was up and about today and will be back in the saddle again tomorrow.

J. G. Wagnon, who is racing rather an extensive stable on the Canadian circuit, was taken ill yesterday and is confined to his room in the Prince George Hotel with a slight attack of pneumonia.

Jockey Roy Estep has been suspended for the remainder of the meeting by the stewards for rough riding.

A division of the H. G. Bedwell and J. K. L. Ross stables have arrived at the Blue Bonnets course, Montreal. They will remain until the opening of that meeting.

Lewis Garth has changed his plans and will not dispose of his horses by auction. The string will be turned over to J. W. Healey, who will train and manage it for Garth. The latter will leave for Belmont Park tomorrow to assume his duties as trainer of the E. R. McLean stable.

It develops that jockey A. Casey is not entitled to the apprentice allowance for the reason that his contract carries him beyond the age limit of 21. The matter will be taken up by the stewards.

Steeplechase jockey A. Gates, who has ridden in the jumping races here, is a returned soldier from the front. He is a good horsman and a fearless rider.

S. Polk, who holds the contract on the apprentice A. Johnson, was an arrival and will look after the boy and make his engagements.

Jockey Frank Robinson will return to New York tonight to join the stable of Harry Payne Whitney, who holds first call on his services.

DUKE OF WESTMINSTER'S SALE CANCELLED.

Recently the famous English auction and sales firm of Messrs. Tattersall, advertised in Daily Racing Form the sale of the entire stud of Mr. J. Musker, the most extensive breeder in England, as well as the fine band of select broodmares owned by the Duke of Westminster. It was indicative of the loss of hope felt in English turf and breeding circles that followed the order prohibiting any more racing this year, subsequent to the Newmarket First Spring meeting. Undoubtedly many others would have sacrificed their bloodstock for any price obtainable had that order stood. Happily the government rescinded it and, that owners have taken a new grip on their courage, is shown by the the following cablegram received yesterday:

London, May 22.

Daily Racing Form, 441 Plymouth Court, Chicago.

"Insert paragraph Duke of Westminster's sale cancelled. Tattersall."

STUYVESANT TO JULIALEON

CONGRESSMAN LOFT'S FINE FILLY WINS HER OWNER HIS FIRST IMPORTANT RACE.

Woodtrap Finishes a Close Second with Straight Forward Third—Alleged Bookmaker Discharged from Arrest by the Jamaica Court.

Jamaica, L. I., May 22.—It was a miserable day for racing at Jamaica, owing to a cold and piercing wind that blew directly into the grandstand. Wraps were in order, but the weather did not seem to dampen the enthusiasm of the crowd. The usual mid-week crowd was on hand, numbering about 5,000. Congressman George Loft took down his first race of importance when he picked off the Stuyvesant Handicap with Julialeon, a filly that gave promise last year and which will no doubt earn more brackets for the congressman before this season is far advanced.

She was made a decided favorite for the race and justified the confidence by winning after a long drive from Woodtrap and Straight Forward. Banshee II., George D. Widener's filly, figured prominently for a half mile, but at no time could give the leaders an argument and she retired after going a half mile. Woodtrap and Straight Forward both ran impressively and will no doubt improve, both finishing faster than Julialeon. Congressman Loft was congratulated upon his victory by his many club house friends. Madiera, one of the choices, could never keep pace with the leaders and was pulled up at the finish. She and Sortie were bothered at the start by the crowding which may have interfered with their winning chances.

Edward Ryan, who was arrested last Saturday for alleged infraction of the gambling laws, was discharged in the Jamaica court today and the case thrown out of court. The sheriff's deputies offered the receiving slips as evidence and these were considered insufficient to hold the defendant.

L. Lykes Will Ride for James Butler.

James Butler has purchased the contract on the lightweight rider L. Lykes, held by Messrs. Parsons and Knapp. He will report to his new employer on June 16.

J. Kearney, an old-time turfman, died this morning at the age of 80 years, following a severe attack of pneumonia.

Madeira pulled up lame after the running of the Stuyvesant Handicap and it is believed by trainer Midgley she has wrenched her stifle.

Ed Heffner is awaiting the announcement of the weights for the Toronto Cup before deciding finally to ship H. C. Hallenbeck's The Finn to the Toronto course, to compete in Saturday's stake. The weights will be out Thursday and, if The Finn is not asked to pick up too much poundage, he will be shipped on that day.

Andy Schuttinger, under contract to the Wickliffe Stable, is confined to his home suffering from a heavy cold.

John Whalen reports the death of Nearly, a gray filly, two years old, by Roi Herode—Nickolai, owned by the Wickliffe Stable. This miss contracted a fever en route from Louisville, which developed into pneumonia and she died this morning. She had shown some promise and was regarded as an excellent breeding possibility.

Sand Marsh, F. R. Doctor's fast sprinter, is not suffering from a bowed tendon, as first reported. His leg, which had filled badly, has reduced greatly, but the injury is such that he will not race for some time.

Jockey T. McTaggart Seriously Ill.

T. McTaggart, contract rider for the Sanford Stable, is confined to his home seriously ill and will not be seen in the saddle for some time. This establishment is now without the services of a rider.

John Whalen wired the apprentice rider B. Kleeger to report at this track Monday. The boy is at present riding for the Kentucky division of the Wickliffe Stable.

E. Hodgson will make the riding engagements of J. Metcalf during the eastern racing season.

James Rowe was an arrival from Harry Payne Whitney's Brookdale Farm during the afternoon.

Preston Burch announces that the John Sanford stable will enter a number of two-year-olds in the first sale held at Belmont Park.

Phil McKim, well-known in eastern turf circles, left for St. Louis today, where his wife is seriously ill.

Luke A. Cassidy was an arrival from Wilmington, Del., where he acted as racing secretary at the recent three days' meeting held in that city. He reported that the management of the Wilmington Horse Show was well pleased with the running races and would conduct a three days' meeting next October.

The association will add $161 to each of tomorrow's purses, this being run-up money accumulated from the bidding up of Beckna.

James Butler has purchased the contract for the services of jockey Lawrence Lykes, from Messrs. Parsons and Knapp and the boy will report to trainer McCormack after the close of the Douglas Park meeting.

CANADIAN RACING MAY BE SUSPENDED.

Toronto, Ont., May 22.—A dispatch from Ottawa this afternoon states that the government will announce, probably tomorrow, its bill to prohibit race track gambling after July 1 next and possibly the closing of all tracks in Canada until the end of the war. Hon. C. J. Doherty, minister of justice, intimated when interviewed this afternoon, that the Wilcox bill would go no further, nor would the prospective committee to deal with it be appointed. The bringing down by the minister of the government measure, which will be radical and definite in character, will supersede the Wilcox proposals.

OUT OF REACH DIES AT EAST VIEW FARM.

New York, May 22.—It was reported at the Jamaica track Saturday that James Butler's highly-bred and valuable stallion Out of Reach had died suddenly. Although royally-bred, Out of Reach achieved only moderate success on the turf, but upon his retirement it was believed that he should prove a valuable sire. He was foaled in 1900, sired by the great Derby winner Persimmon, and his dam was Sandfly, by Isonomy.

ROAMER DOES FAST WORK-OUT.

Andrew Miller's Gelding Scores Best Time of Kentucky Handicap Candidates.

Louisville, Ky., May 22.—Several of the candidates for the $15,000 Kentucky Handicap to be run at Douglas Park on June 2, engaged in fast trials last week, but by far the best move was that of Roamer, Andrew Miller's six-year-old son of Knight Errant—Rose Tree II. The sturdy little gelding worked a mile and an eighth in 1:54, hard held and he showed that he still has all of his old-time early foot, as he went the first quarter in 24, the half mile in 48⅘, the three-quarters in 1:13⅘ and the mile in 1:40⅘.

Jockey Benny Kleeger worked the horse and he had plenty of weight, but he simply toyed with it. After Kleeger dismounted he said that Roamer was "crying to run" all the way and it was with difficulty that he restrained him as much as he did. At the present time Roamer is one of the most favored of the Kentucky Handicap eligibles, but the race is such an open affair that he is going to find plenty of opposition in such horses as Old Rosebud, Hodge, Boots, Dodge, Ed Crump, which won the race last year; Colonel Vennie, a four-time stake winner this year; Pif Jr., which has won the last four stakes he has started in and a number of other classy ones.

Colonel Vennie Displays Great Speed.

Sunday morning Jefferson Livingston's Colonel Vennie was sent a fast seven-eighths, going the quarter in 23⅘, half in 47⅕, five-eighths in 1:01, three-quarters in 1:13⅖ and seven-eighths in 1:27. He was only cantering at the end. Many shrewd horsemen, who have seen this horse race all winter, say that no one knows really how good he is, as he has done everything asked of him, even to the extent of winning four stakes this year to date. At New Orleans he beat horses which have won stakes on many other tracks and he beat them going away and at Lexington the two stakes he won were over high-class performers.

Trainer Walter Jennings sent Boots and Ed Crump a mile and an eighth in 1:55 and they likewise were never extended to the limit. They broke together at the eighth and went a quarter in 24, three-eighths in 36, half mile in 59, five-eighths in 1:01, three-quarters in 1:15 and the mile in 1:41⅘. Neither of them were taking a long breath when they pulled up and they are both fit to run the race of their lives. Each time Ed Crump works he looks better and Trainer Jennings is confident that he will repeat last year's victory in the Kentucky Handicap. Dick Williams, also from the Macomber stable, worked Sunday, but he was only galloped and went a mile in 1:48.

KING GEORGE CONGRATULATES MR. SEAGRAM.

The following cable was received Saturday night by Secretary Fraser of the Ontario Jockey Club:

"His Majesty heartily congratulates Mr. Seagram on winning the King's Plate."

The King's message was forwarded with other felicitations to Mr. Seagram, whose health did not permit him to come down from Waterloo to witness the success of his fine mare. He was represented at Woodbine by E. F. Seagram, who brought the winner into the paddock with a white leading rein, and afterwards received the cup and the certificate from the Lieutenant-Governor, Sir John Hendrie adding his own congratulations on Belle Mahone's victory.

EPSOM DERBYS OF A HUNDRED YEARS.

Incidents Marking the Running of the World's Most Famous Race.

(Twenty-First Article.)

The Derby of 1907 was notable in at least one respect. While several previous winners were natives of Ireland, Orby, the victor of the year under discussion, was actually trained in the Emerald Isle, which could not be said of any of his predecessors. But though Orby had been prepared on the other side of the St. George's channel, it was not an unequivocal triumph for Ireland. The winner himself, as a matter of fact, was quite a "cosmopolitan." He was a son of the English horse Orme, his dam was the American-bred Rhoda B., while he was foaled in Berkshire. Furthermore, he was ridden by Johnny Reiff and carried the colors of Richard Croker, who, though born in County Cork, has spent a good many years of his life in America, in the political arena of which he became a power. Mr. Croker on returning settled at Wantage, but later he removed to Ireland, where he transferred his stud.

Mr. Croker has won numerous races both in Ireland and England, but, of course, there is nothing to his account within measurable distance of Orby's achievement. There was little in the form of the colt as a two-year-old to suggest that he was destined for any particular distinction. He made his first appearance in the Londonderry Plate, at Leopardstown, in the late summer. There were five other runners for this, but Orby was confidently expected to score, and odds of 3 to 1 were laid on him. He could, however, only get third to Gleg and Affiant. He next ran in the Railway Stakes at the Curragh, and was again well backed, though Rosetown had a bare fractional call in the market. Orby was again third, the winner being Electric Rose—also the property of Mr. Croker—and the second Silver Fowl, which later became famous as the dam of Silver Tag and Fifinella.

Orby's English Rivals.

Orby's next race was in England in the early days of his second year. He was one of the starters for the Earl of Sefton's Plate at Liverpool, in which odds were laid on Persinus. The event was won easily by the son of Orme, which finished three lengths in front of Pane, Persinus being third. Returning to Ireland, he won with even greater ease the Baldoyle Plate, Galloping Girl II., which was his nearest attendant, being a half dozen lengths away.

By this time it was beginning to dawn upon racing men that Orby had an engagement in the Epsom Derby, and in view of the reports as to the colt's progress, coupled with the fact that he was proving himself capable of winning races, Orby began to be mentioned as an animal with at least a sporting chance at Epsom. At the same time certain others trained at home claimed chief attention. Among these was Slieve Gallion, the property of Captain Greer. This son of Gallinule had shown capital form as a two-year-old. He had led off with an easy victory in a maiden race at Sandown Park in the spring, following this up by cantering away with the New Stakes at Ascot. Then he won the Champagne Stakes at Doncaster easily from My Pet II. and Bezonian, but in the Middle Park Plate he astonished his backers—who had to lay 4 to 1 on—by failing to beat Galvani.

Good Credentials of Galvani.

Galvani, which belonged to Major Loder, the owner of Spearmint, was, however, a pretty good colt just at that time, and only a few days previous to his overthrow of Slieve Gallion he had won the Imperial Produce Plate at Kempton Park. Prior to this he had been beaten a neck by Bezonian in the Breeders' Foal Plate, also at Kempton, but earlier still had disposed of Jubilee, Glacis and others in the International Two-Year-Old Plate, and also won the Chesterfield Stakes. So that it was not to the everlasting discredit of Slieve Gallion that he should have failed against the son of Laveno.

Captain Greer's colt had commenced his second season in promising manner with an easy victory in the Craven Stakes. This was only a prelude to another of even greater importance in the Two Thousand, in which he was followed past the post by Bezonian, three lengths away, Linacre being third. Slieve Gallion and Galvani had been the winter favorites for the Derby, and the former had, by the wins above noted, naturally increased in public favor, and on the great day he was a 13 to 8 on chance. Galvani, which had not been out since the previous year, was next in demand at 7 to 1 against, Bezonian coming third at 9 to 1, followed by Wool Winder and Orby, which were bracketed together at 100 to 9.

The starters totalled nine, of which number none looked better than the favorite, and the Beckhampton party made no secret of their confidence. Orby made many new friends, and several good judges were so impressed by the appearence of Mr. Croker's candidate that they accorded him their support at the eleventh hour.

John Bull Makes the Running.

The least considered of the nine, John Bull, was permitted to lead at the outset, being followed by the favorite Bezonian and Galvani. At the mile post Higgs sent Slieve Gallion to the front, and when half the journey had been traversed he was a good two lengths ahead of Bezonian, which followed, with Galvani, Orby and Wool Winder coming next. The last named was going well when he was the victim of a bump, the result being that he became unbalanced, and Madden was compelled to ease him for a little while, and on rounding Tattenham Corner he had dropped back last. Entering the straight, Slieve Gallion led slightly from Bezonian, with Galvani third. Orby was, however, going great guns and soon passed Major Loder's colt.

Then Bezonian hoisted signals of distress, and it seemed to be a case either of Slieve Gallion or Orby. Two furlongs from home friends of the favorite were dismayed to observe that he had begun to sprawl. Orby, on the contrary, was running well, and on nearing the distance he appeared to have the issue in safe keeping. The "Irishman" then hung to the right, and it became evident that Wool Winder was going to have something to do with the finish. Colonel E. W. Baird's colt was travelling at a great pace, and about fifty yards from the post he overtook Slieve Gallion and tackled Orby. But the last named was too far in front, and had two lengths to spare when he reached the box, Slieve Gallion being third. A long way off came Bezonian, fourth, while the rest came in at their leisure.

Orby ran but twice subsequently. He easily won the Irish Derby, but finished last of four to Linacre in the Atlantic Stakes at Liverpool. A veterinary examination followed, which disclosed trouble. It was hoped that a lengthy rest would put things right, but as soon as he entered upon his St. Leger preparation one of his legs gave way. Later he was dispatched to the stud.

(To be continued).

PREPARE FOR OPENING AT DORVAL.

Montreal, Que., May 22.—With continued work on the track at Dorval for the spring meeting of the club, opening May 29, the going has improved daily until it is now in better condition than at any time since the opening of the plant. In the absence of Sheridan Clark, Manager Fred Richard has assumed control of the work at the track. Applications for stabling are arriving at the office of the club every day, which is an assurance of plenty of excellent racing material for the meeting. The entries in the stakes average thirty-five to a stake.

LIVE GOSSIP FROM LOUISVILLE.

Old Rosebud Appears at His Best—Long Distance Race to Be Featured at Douglas Park.

Louisville, Ky., May 22.—Old Rosebud came out of his gruelling race with Roamer Saturday in fine condition. Trainer Frank Weir said that the injured leg of the son of Uncle—Ivory Bells seems to be the best of the four now. He does not favor it in the least and wants to run every time he steps out on the race track.

With few exceptions all of the probable starters in the Kentucky Handicap are now stabled at Douglas Park, where they will be given their final preparations for the big race. Some of the large racing establishments stabled there throughout the Churchill Downs meeting, especially those which wintered at that course. The Douglas Park track was never in better condition and although the track records there are lower than at any other course in the country, superintendent Charley Nolte says that he will have it fast enough when the meeting opens on next Saturday to reduce these marks even further.

Twenty-three of the forty-nine races scheduled in the program book for the first seven days of the Douglas Park meeting will be over a long distance of ground and it is the intention of Racing Secretary Jack Campbell to feature long distance racing throughout the season. The local public has always shown a liking for long races and they have always proven excellent wagering propositions.

George Rearden, son-in-law of John W. Schorr and well-known in turf circles throughout the country, has gone to Jamaica. He will return here to witness the running of the Kentucky Handicap.

Blinkers Makes a Big Difference.

Blinkers seem to make a vast difference in the running of the horses from the J. F. Schorr stable. J. J. Murdock ran without them in a previous start, but Saturday he made such a good horse as Old Koenig hustle to beat him a head in 1:12. Lindenthal also ran a good race with blinkers on and he did not wear them in his previous race either.

Gene Elrod took the crew of the ticket room in the pari-mutuel department over to Douglas Park to get things straightened away on that end so that everything will be in readiness when the meeting opens on next Saturday. Thirty-four machines are in place and ready for use, some of them being combination affairs, straight, place and show and straight and place. The players who like to take chances at picking the two and three-horse combinations will have their chance at Douglas Park, as the combination machine will be in use there.

It looks as though The Manager, T. C. McDowell's former high-class racer, is destined to become an excellent sire, as thus far three of his get have won two-year-old races here and at Lexington and all have shown symptoms of being real good ones. They are St. Augustine, Plum and Olive Wood. However, Maj. McDowell will have to do without the services of St. Augustine for perhaps a long time, because of his being cut down the last time he started. This stable has several more high-class two-year-olds, which it will drop in from time to time and they are all fast breakers.

CURRENT NOTES OF THE TURF.

Jockey R. Ryan rode two winners at Delorimier Park Monday.

Jockey J. Bell is riding in Canada after an absence from the saddle of several years.

Jockey B. Kleeger has been riding in brilliant form at Churchill Downs. He rode two winners Monday, three on Saturday and two on Friday.

The speedy Hodge is improving each day in his work for the Kentucky Handicap and there will be nothing lacking as far as his being fit is concerned when the big race is run.

Jockey Frank Robinson, who left New York for Toronto Friday night to ride in the King's Plate, missed his connection at Buffalo and was forced to engage an automobile to make the trip over. He just managed to reach Woodbine as the jockeys' name were about to be displayed on the board and hurriedly got into his riding togs and weighed out on Belle Mahone, which carried Joseph E. Seagram's colors to victory.

Paddy Kelly, an aged gelding, after finishing second in the Timber Toppers' Champion 'Chase at Belmont Park Saturday, dropped dead. The race was at four miles over a timber course and is one of the longest and most gruelling contested on the American turf. Paddy Kelly set a hot pace for over a mile and only faltered once or twice during the long journey, but no sooner had he crossed the finishing line than he stopped short, his front legs caved in under him, he sat back on his haunches and rolled over dead.

Jamaica Entries and Past Performances for Wednesday, May 23.

WEATHER CLOUDY. TRACK FAST.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.
All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1917 racing.

Racing starts at 2:30 p. m. (Chicago time, 1:30.)
×Runs well in mud. ⊕Superior mud runner. (M) maidens. *Apprentice allowance.

First Race—5-8 Mile.
2-year-olds. Maidens. Special Weights.
(Track record: May 19, 1917—59⅗—2—109.)

Woodbine Park Entries and Past Performances for Wednesday, May 23.

WEATHER WET. TRACK HEAVY.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.
All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1917 racing.

BREEDING EXPERIMENT MEETS SUCCESS.

F. K. Sturgis Highly Elated Over Report on Mares Placed by Jockey Club Throughout State.

New York, May 22.—There is no keener student of horse breeding, particularly that branch of the industry which has to do with the production of remounts for the cavalry arm of the service, than F. K. Sturgis, who, as chairman of the Breeding Bureau of the Jockey Club, speaks with particular authority on the work of that organization in the Empire State, where stallions of blood have for many years been at the service of breeders at a nominal stud fee.

Mr. Sturgis has just received a report on the mares which had been placed by the Jockey Club with members of the Genessee Valley Farmers and Horse Breeders' Association last season, and he was particularly enthusiastic to find that eighteen out of twenty-four mares mated with the breeding bureau sires in the vicinity of Avon, Mount Morris and Genessee had proved with foal. There were scores of others mares bred, but the report concerned only those which had been sent to the Breeders' Association a twelve-month ago.

"The percentage is beyond the average," said Mr. Sturgis. "and we are greatly encouraged at the success which has attended our venture at its inception. It was our original intention to place only sires in communities which would appreciate the opportunity to improve the quality of their general purpose horses, but the results obtained by our answer to Mrs. Wadsworth's appeal for the distribution of mares among the members of her association are so heartening that as fast as we can secure females of a desirable type either by purchase or donation, they will be distributed in the Genessee Valley and other locations where the right sort of co-operative spirit is found.

Mother Must Be Well Cared for.

The fact that the custodians of these mares have the privilege of working them and that the foals are their property outright is appealing. All that we expect is that the mother be well cared for. It is stipulated that they shall be mated with sires of the Breeding Bureau exclusively. There is a lesson for every farmer and horse breeder in the United States in the fact that these mares, many of which had not been regular producers, and others which were bred for the first time, should have averaged so high in fertility. It indicates the soundness of the theory that broodmares are better at work than running idle in pastures.

"When the Jockey Club inaugurated its Breeding Bureau," continued Mr. Sturgis, "prizes of $50 were offered in the various counties for the best foal by a Breeding Bureau sire. This was done with a view to stimulating interest in the breeding of a type of horse that would be available for any purpose—it being understood the world over that the thoroughbred makes a model top-cross for any family, whether harness, saddle or draught. These competitions have been held under the auspices of the country or agricultural fairs, and considerable rivalry was developed. Interest has been still further increased by our yearling prize of $400, which will be an annual feature of the New York State Fair at Syracuse, where the cream of the young half-breeds in this state met in competition last September for the first time.

$500 Premium for Best Two-Year-Old.

"With a view to still further encouraging breeders, we have collaborated with the Rochester Horse Show in the offering of a $500 premium for the best two-year-old by a Breeding Bureau sire. The Jockey Club and Horse Show will each contribute $250, and we look for a competition that should convince the most skeptical of the merits of the thoroughbred as a sire. Those who attended the Syracuse State Fair and the Livingston County Horse Show at Avon last fall, say that the yearling display was particularly strong at both places. It will be interesting to note the development in type during the year. These yearlings were out of three-quarter bred, half-bred, standard-bred, grade Percheron and other heavy draft mares, and still others were from dams of coaching and saddle breeds.

"We are making friends daily," resumed Mr. Sturgis, "several mares having been promised the association, while Oakley Thorne of Milbrook, Duchess county, has donated the services of his splendid French horse Angel Jim, foaled in 1908 and recently imported to the United States. This horse, which stands 16.1 hands, is by Tarquin—Giuliana. He will be placed at the famous Rhinebeck estate of L. Gordon Hammersley in Dutchess county. This is the country of the Milbrook Hunt and the Hudson River and other stock farms where trotters have been bred, and there should be many desirable hunting and standard-bred mares in that community.

"It is gratifying to note a greater degree of co-operation among organizations having to do with the improvement of the horse. The newly incorporated Horse Show Federation should be a power in this respect. The Horse Show offers a medium for the illustration of type, and as such it is essentially educational. Realizing this, our yearling competition at Syracuse next September, will be under the auspices of the Horse Show instead of the Fair Association.

"There always has been a patriotic appeal," said Mr. Sturgis in conclusion, "in the breeding of good horses. They serve a useful purpose in time of peace, but when war threatens, a supply of cavalry and artillery horses is of paramount importance. The number of desirable mares in this and other states of the Union has been depleted by foreign purchases, but breeders should see to it that those which remain are given an opportunity to reproduce themselves."
